Getting to Louisville

Information on
Carpools and Mass Transit

Carpools

Most families at Louisville High School are able to arrange carpools that help in the transport of students to and from school. Parents are encouraged to contact each other to make these arrangements. There is a Louisville High School carpool message board available to all parents on *My Louisville*, our school web-based portal.

On-Campus Parking

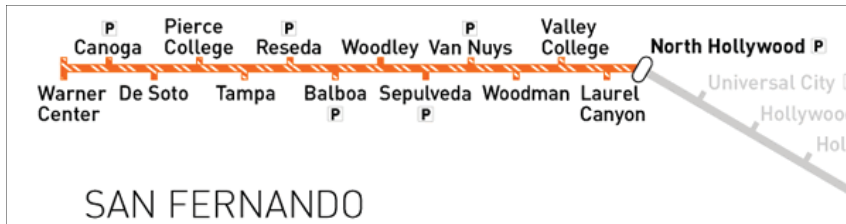

Assigned on-campus parking is available to juniors and seniors.

Monthly student passes are \$24.00

The L.A. Metro bus system runs a shuttle bus that stops at the intersection of Mulholland Dr. and Mulholland Hwy. near the main entrance to Louisville High School.

The L.A. Metro Orange Line runs every 4-5 minutes eastbound from North Hollywood to the Warner Center Station.

Students can board Metro 645 (West Hills Hospital) at 7:20 a.m. at the Warner Center Station on Canoga Ave. and arrive at Louisville at approximately 7:30 a.m.

Go to: http://www.metro.net/riding_metro/bus_overview/bus600.htm for a complete eastbound and westbound schedule.
